

## Helping teachers

The Kiwanis Club of Seminole Breakfast past president David Green presents a \$600 check to Starkey Elementary School principal Audrey Chaffin at its Oct. 30 meeting. The club donated the money to help teachers with classroom needs because too often teachers have to use their own funds to purchase classroom supplies. This is the second year the club has adopted Starkey Elementary, one of six elementary schools it's adopted in the Greater Seminole area. The club also sponsors a program at Starkey called B.U.G. (Bring Up Grades), which encourages students to raise their grades.
