

Good for you

Two students were awarded Col. Mildred Imogene Butler Nursing Scholarships from the Kiwanis Club of Seminole Breakfast Foundation. The \$3,000 scholarships are awarded to Pinellas County students who are pursuing a career in nursing.

Lacie Belcastro of Seminole is in her first year of college and working

Lacie Belcastro

on finishing her prerequisites to get into the nursing program at St. Petersburg College. Belcastro hopes to become a pediatric nurse. She is a co-leader of the Girl Scouts of West Central Florida and has a

4.0 grade point average. Belcastro, 19, is a graduate of Seminole High School.

Marissa Pitts of St. Petersburg has already earned her associate of

Marissa Pitts

arts degree and is enrolled in the nursing program at St. Petersburg College. Pitts volunteers with Love Thy Neighbor, a nonprofit organization that helps people who can't afford routine

maintenance of their home. She is a member of the National Student Nurse Association and hopes to become a nurse in home health care. Pitts, 23, is a graduate of Pinellas Park High School.
