Dear Seminole Kiwana Breakfast club members,

It is with enormous gratitude that we thank you for your generous gift to Anona Elementary. The funds given to us will be used to further our academic goals and fulfill the needs our children have.

To know that we are not alone in our endeavors and that your community support is a part of our daily efforts is heartwarming. It was a surprise to receive this and we will be better able to meet the changing demands of education because of organizations such as yours. Many of our projects sponsored by you have made a significant difference in individual students' success. You can be very proud of what you have impacted in such positive ways.

We wish each of you success in your endeavors and welcome your visit to our school any time that is convenient. Thank you again for your kindness.

Sincerely,

Gaye Lively, Principal

And the Staff of Anona
