

## Kiwanis, Fit 4 All Kids team up to feed Special Olympians

For the past 30 years, the Kiwanis Club of Seminole Breakfast has been feeding hot dogs and chips to local Special Olympians at the Special Olympics. This year, Kiwanis volunteers are stepping up efforts to provide a healthier lunch at the annual event with support from Kellie Gilmore and All Children's Hospital's Fit 4 All Kids. Gilmore is going back to the test kitchens at Fit 4 All Kids and will be preparing a recommended menu for the Kiwanis Club to serve at the next Special Olympics at Ross Norton Recreation Complex later this year. David Green, president of the Kiwanis Club of Seminole Breakfast, presents a Kiwanis bell to Gilmore at the group's June 20 meeting.
