Sue Kotchman, right, a member of the Kiwanis Breakfast Club of Seminole, presents a check from the Adopt a School program to Bauder Elementary Principal Lisa Bultmann. Through the Adopt a School program, the Seminole club has partnered with six local elementary schools, including Bauder, to provide funds to help teachers supplement school classroom supplies and materials for student learning activities. Since 2012, the club has contributed about \$13,800 to the schools.
