

Dear Kiwanis Seminole Breakfast Club,

Thank you so much for your donation to Building Beds. We are so grateful to have your support in this mission to help provide beds to children in need in our community. We would not be able to do what we do without partnerships with groups and organizations like yours who see the needs in our own backyard. Your donation will be put to help purchase supplies and materials to assemble the beds that will ensure these children have a place to sleep each night. We would love to invite anyone from your group to an upcoming delivery or build day to see how your support of this program is impacting our country's youth. Thank you again for seeing the need and helping bridge the gap!

Many thanks,

Melanie & Building Beds Team
