Ladies and Gentlemen:

As you know, I recently ran for public office and was elected to the Seminole City Council. During the campaign for office I raised funds and received political contributions.

Fortunately, more money was raised than was spent on the campaign, and Florida Statutes mandate that excess funds be either returned to the donors or given to charity. I have chosen to do the latter.

The Kiwanis Breakfast Club has such a fine reputation for supporting our community. It gives me great pleasure to provide this check for \$100 to the Foundation to recognize your many contributions and to thank you for being an important part of what makes Seminole such a wonderful place to live, work and play.

Sincerely,
