Subject: Field of Honor 2020

David,

Thanks once again to you and Seminole Kiwanis for all the effort with the spectacular 2020 Field of Honor this year!

We spoke of the wonderful display last evening on Council.

The front of City Hall and the Post Office looks so bare once again.

I wish we could leave the flags up all year!

Unfortunately, I couldn't get over to City Hall yesterday to help retire the 400+ flags !

Believe it or not, I was with two gentlemen from the French Foreign Legion (*really!*), Brigadier General Loic Mizon and a Major, both stationed at MacDill, for a presentation at Lake Seminole Square.

Mr. Ralph Pierson, 100, was awarded the French Legion Medal of Honor for his part during WWII at the Battle of Normandy.

V e r y interesting story. "*Thank you for saving our Country,*" said General Mizon.

Then I was tied up preparing for Council.

Anyway, Bon Jour, and have a great Christmas!
