Lee Walters

Kiwanis Club of Seminole Breakfast

Dear Lee,

I came across your club's website a few years ago when I was researching what other clubs were doing in their community to help children as well as trying to find new fund-raising activities. I really liked your website and I also took great interest in your Field of Honor.

Thanks to the inspiration from your club, we will be building our third Field of Honor this year in November. We receive a great deal of support and encouragement from our community for our Field of Honor.

Also, we very much appreciate your support in our effort to create a stronger website for our club. Julia Hartland helped us to load your website onto our server. As I work on our website I will leave a lot of relevant information, take away things that are unique to your club, and add those things that make our club unique. Your kind gesture will save us a lot of time, effort and expense, and we are very happy to give you the remainder of our budget for this project (\$200). I feel that the value we received from you is worth a great deal more than that. We very much appreciate your support.

Sincerely,

George Lieb
