Subject: Nursing Scholarship

Dear Mr. Walters,

I just wanted to extend a very big thank you to you all for awarding me with such a generous scholarship! I truly appreciate the opportunity to work alongside with the Kiwanis Club of Seminole Breakfast. I am looking forward to my career of becoming a nurse and this scholarship will definitely help me towards achievement of my goal.

Please advise me as to how I can further participate in the Kiwanis club both through zoom meetings and future events.

Thank you from the bottom of my heart!

Kristy Mizzi
