Good Morning Mr. Walters,

I apologize this email is late getting to you. I received the letter regarding the scholarship from Kiwanis Club of Seminole, Breakfast. I can't adequately express my gratitude for receiving this scholarship. A major reason for the delay in furthering my education over the past 10 years has been related to finances. This scholarship greatly alleviates these life stressors and will allow me to better focus on my success. I thank all of you for your time and consideration and for seeing qualities in me that you found worthy of the scholarship. It was a pleasure to meet everyone and I look forward to engaging in future meetings and events.

Regards,  
Sarah Debar
