Dear Friends,

Thank you so much for your gift to the Florida Sheriffs Youth Ranches. I appreciate your decision to partner with us to make a difference in the lives of at-risk boys and girls. Your very generous gift is a wise investment in the lives of deserving children.

The Youth Ranches has a very simple philosophy of "work, study, play and pray." We ensure children have a chance to build a strong work ethic, get a solid education, develop spiritually, and learn how to enjoy positive recreation. Donors like you play a major role in giving the boys and girls at the Youth Ranches a brighter future!

Not only are you partnering with the Youth Ranches, but also the Sheriffs of Florida. In 1957 the Sheriffs had a dream, which has become reality. They dreamt of a place for children in need. The adults in their lives have let them down and have not provided the basics of life for them. The Youth Ranches gives them a safe home with responsible adults who care for all their needs and allow them to grow, thrive, and be loved as children should.

Please feel free to give me a call at (800) 765-3797, or visit our website at www.youthranches.org if you have any questions about the Youth Ranches. Thank you for your generosity and for being a part of this life-changing work!

Sincerely,

Bill Frye
President
