Pinellas Park, FL 33782

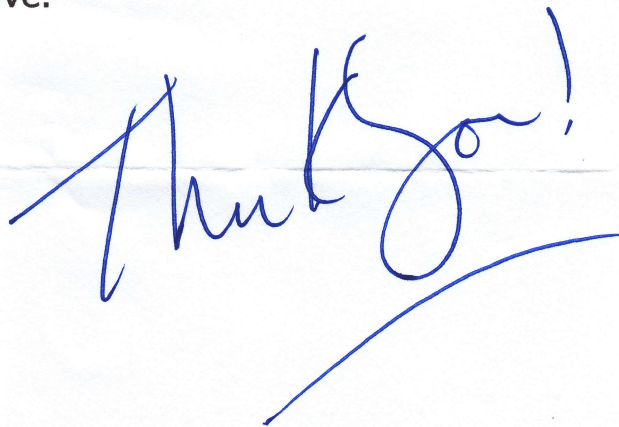

Dear Fellow Kiwanians,

I wanted to extend my personal "Thank You" for your club's contribution of \$250.00 to the 2021 Caring Corner. The Caring Corner is a Florida Kiwanis District fundraiser that was chaired in 2021 by then Vice Governor now Governor-elect Sharon Moody. The proceeds from the Caring Corner are given to your Florida Kiwanis Foundation to benefit our Service Leadership Programs for leadership development training. Since 1971 the Foundation's main focus has been to help serve the children of the Florida Kiwanis District. Because you care, your contribution helps make investing in our future possible through the children we serve.

Yours in Kiwanis Service,
