Dear Friends,

Today, your gift is having extraordinary impact upon all we do, all for kids at Johns Hopkins All Children's Hospital.

Children like Sebastian, who spent his first birthday in our cancer unit, will have a team of specialists and physicians dedicated to their care and their families will have the hope of a cure that could be discovered just across the street in our Research and Education Building. Your giving is the reason we can dedicate every resource we have to making sick children well again.

We are grateful that your gift can be used in a way that will have the biggest impact. It is our hope that one of the more than 6,000 children who will require admission this year will have a better health outcome because you made a commitment to pediatric medicine.

In June, Johns Hopkins All Children's Hospital tied at the No. 1 spot for best children's hospital in Florida on *U.S. News & World Report's Best Children's Hospital's* list. It is an honor we are proud to share with you.

Thank you for supporting compassionate care and healthier tomorrows for all children. Please extend our thanks to all your members for their good work on our behalf.

With gratitude,

Connie Siu Guinn  
Director, Donor Engagement

PS I encourage you to contact the Foundation at 727-767-4199 for more information or visit [HopkinsAllChildrens.org/Foundation](http://HopkinsAllChildrens.org/Foundation)
