Dear Lee,

Coming together to give — it's one of the most powerful ways to show a unified commitment to serving the children of the world. Thanks to support from your club, the Kiwanis Children's Fund helps Kiwanians serve children in many places, in many ways.

Picture the smile of a little boy with the first book that he can call his own. Think of the students who couldn't have attended school virtually without the laptops and internet access provided by Kiwanians. And imagine the gratitude of a Key Club member who knows that Kiwanians are investing in her future and education. These are just a few examples of what you've made possible for kids around the world.

In 2019-20, support from your club and its members resulted in an average gift of between US\$10 and US\$24 per club member. To honor this milestone in your generosity, I am excited to recognize the Kiwanis Club of Seminole Breakfast as a Blue-Level Today Club with the enclosed banner patch. In addition, I am enclosing an Annual Club Gift banner patch to recognize your club's contribution of US\$126.00 in 2019-20.

I hope you'll celebrate this honor with your club members and share the impact you're making on kids around the world. With your support, you're reaching kids who need Kiwanis—near and far. Thank you for your support.

With sincere appreciation,

Aaron Ketzenberger  
Associate Director of Development  
Kiwanis Children's Fund
