Dear Charlene and Members of Kiwanis Club of Seminole,

Thank you so much for your recent donation to our Adopt-A-School program. Your contribution will help to enhance our students' learning experiences. Our teachers use these funds to purchase important classroom items such as books, computer software and other valuable resources. Our students and staff greatly appreciate your generosity.

We are truly fortunate to receive such terrific support each year from our community business partners. Your ongoing assistance with this program benefits our students and staff in a variety of ways and makes a huge in our classrooms. We could not accomplish all that we do without the help of our local business community and individuals like you.

Again, thank you for continuing to support the education of our children at Orange Grove Elementary. If you have questions, please call 727-547-7845.

Respectfully,

Christine Porter Wilson, Ed.D.
