**Kiwanis Club seeks volunteers**

SEMINOLE — The Kiwanis Breakfast Club of Seminole is seeking volunteers to assist in locating and replacing the in-ground PVC pipe sleeves that will support 500 American flags in the 2022 Field of Honor display.

On Saturday, Oct. 22, at 9 a.m., work will start at Seminole City Hall, 9199 113th St., and progress over to the adjacent U.S. Post Office.

Participants are asked to bring a pair of plyers, or other hand tool that can grab a 3/4-inch diameter PVC sleeve and pull it up out of the ground. The work does require bending or kneeling on the ground to locate the sleeves, which are installed every 5 feet.

This will be the eighth year of the annual Field of Honor, which recognizes military veterans both past and present. Other dates volunteers are needed will be on Nov. 1 at 9 a.m. when the 500 flags are installed and on Dec. 1 at 1 p.m. when the flag display is removed. For additional information and to RSVP, call David Green at 727-504-4342.
