Volunteers for flagpole repair

SEMINOLE — The Kiwanis Breakfast Club of Seminole is seeking volunteers to assist in locating and replacing the in-ground PVC pipe sleeves that will support 500 American flags in the 2022 Field of Honor display.

Work will begin Saturday, Oct. 22, 9 a.m., at Seminole City Hall, 9199 113th St., and progress to the adjacent U.S. Post Office.

Bring a pair of pliers or other hand tool that can grab a three-quarter-inch diameter PVC sleeve and pull it up out of the ground. The work requires bending or kneeling on the ground to locate the sleeves, which are installed every 5 feet.

Other dates volunteers are needed will be Nov. 1 at 9 a.m. when the 500 flags are installed and Dec. 1 at 1 p.m. when the flag display is removed.

For additional information and to RSVP, call the Kiwanis Seminole Breakfast Club, David Green at 727-504-4342.
