Dear Ms. Hoffman,

Thanks for the generous award. It does make a difference.

I also want to thank you and the rest of the interview team (Mr. Brett and Ms. Debbie) for taking the time and adjusting your schedule for the meeting last Tuesday night.

I'll check next week at school to make sure no classes will be held on July 26th for the award meeting and confirm with you before the RSVP date.

Again, appreciate your help and consideration 😊

Regards,
Miriam Louca
