Leah,

That is a really great news! I will be there on the 26th for the meeting!

I am deeply grateful to you for making the Colonel Mildred Imogene Butler Nursing Scholarship possible. I was thrilled to learn of my selection for this honor, and I am deeply appreciative of your support. By awarding me a Colonel Mildred Imogene Butler Nursing Scholarship you have lightened my financial burden, which allows me to focus more on the most important aspect of Nursing: learning how to take care of others.

Thank you again for your generosity and support. I promise you I will work very hard and in the near future as a Registered Nurse give back to others.

Sincerely,

Flavia Nogueira Rodrigues
