Kiwanis club sets final family fishing event

SEMINOLE — The Kiwanis Breakfast Club of Seminole will hold its final Family Fun Fishing event of 2026 from 8 to 11 a.m. Saturday, Oct. 3, at Taylor Park, 1100 Eighth Ave. S.W., Largo.

The event, held in partnership with Pinellas County Parks and Conservation Resources, is free for children 14 and younger.

The club provides bait and fishing poles, but children are welcome to bring their own gear. Prizes are awarded for the first fish caught, the most fish caught, the smallest fish caught and the three largest fish caught.

Water and juice will be available, and participants will receive books through the club's Just 1 Book literacy program. Donations are welcome and help offset the cost of bait.
