Field of Honor volunteers needed

SEMINOLE – The Kiwanis Breakfast Club of Seminole is seeking volunteers to help bring to life this year's Field of Honor display of 620 flags. The flags honor U.S. military veterans past and present.

On Nov. 7 volunteers should arrive by 8:30 a.m. at Seminole city hall. The flag installation begins at 9 a.m. Each flag will need to be unfurled and have a flag sponsor streamer attached before it is carried and installed alphabetically.

With the help of 76 volunteers, last year's display of 620 flags was installed in approximately two hours.

The Field of Honor ceremony will be held at 10 a.m. on Nov. 9 in council chambers at Seminole City Hall. The public is invited.
